## Student Transportation

(Please fill out a separate form for each child at MCA; return to school office as soon as possible.)

Name of child: \_\_\_\_\_ School year: \_\_\_\_\_

*My child usually leaves MCA at the end of the school day:*

- \_\_\_ by car
- \_\_\_ by walking
- \_\_\_ by bus (see bus information at end)

*Who will normally pick up your child?*

- Include drivers you want the duty teachers to recognize as a "regular" for your child.
- If both parents *may* drive, list both even if one picks up more than the other.
- Fill this out even if your child is a walker or takes the bus (for the exception days).

Regular drivers:

\_\_\_\_\_

In general, MCA teachers will not release a student to any driver other than the regular drivers unless the parent sends a note or calls. (So, for example, if your child is going home from school with a friend, please send a note with your child that day, giving the car-duty teacher permission to send your child with that friend. Or if your child is sick and you aren't able to come, tell the teacher or the secretary who will be picking up your child.)

If you have friends or relatives that will be picking up your child fairly regularly, and you would like to give a blanket authorization for this to happen without a specific note or call from you, please list those people here (remember to list both husband and wife in the case of a couple, if both are authorized):

Finally, please tell us if there are any people the duty teachers should be particularly on the alert **not** to release your child to:

Thank you! This information helps us keep your child safe.

### Bus information

The bus option is the Milford public school bus and is only available to residents of Milford. If you choose to have your child go on the bus, you must make the arrangements with the First Student Bus Co. at 672-2355. Once these arrangements are made, parents must notify First Student on the morning of any school day that the child is *not* riding the bus.
